Lynx 301
Wireless-N mini 2.0 USB adapter

N5
300Mbps WIRELESS ROUTER | YEAR WARRANTY *Must register at: nexxtsolutions.com/warranty
SUPERIOR RANGE

INSTANT SPEED UPGRADE

Wirelees-N 300Mbps

Laptop/ PC ready

Superior range

Advanced security data encryption

Single band 2.4GHz

Instantly upgrade your computer to the latest wireless-N technology

Overview

The freedom of setting up a network wirelessly in your home or office is now possible with the Mini-wireless USB adapter. By incorporating the latest N technology, this compact USB adapter is capable of delivering reliable high-speed connectivity along with enhanced performance in high-bandwidth applications. Its hassle-free installation will get you connected to your network in minutes.

Highlights

- **Wireless-N 300Mbps speed**
  Provides six times the wireless speed of the 802.11g standard. Perfect for video streaming, online conferencing and file transfer applications
- **Wireless protocols**
  Complies with the latest 802.11n. Backward compatible with 802.11g/b standards
- **Networking modes**
  Infrastructure and ad-hoc (peer-to-peer)
- **Robust signal**
  Delivers reliable high-speed connectivity to wireless networks, extends coverage and reduces dead spots
- **Auto negotiation capability**
  Detects wireless networks and selects the optimal transmission rate automatically
- **Advanced security**
  Wireless Protected Setup (WPS), including 64/128 bit WEP, WPA-PSK/W PA2-PSK data encryption
- **Compatibility**
  Supports Windows, Mac OS and Linux

Technical specifications

Lynx301	
Hardware features	
Standards	2.4GHz: IEEE802.11n, IEEE802.11g, IEEE 802.11b
Interface	USB 2.0
Antennas	Two 2dBi internal antennas
LED indicator	Link and act
Wireless features	
Wireless rate	300Mbps
Frequency band	2.4GHz
Channels	1-13
Channel width	20MHz, 20MHz/40MHz
RF power	20dBm (max)
Software features	
Security	64/128-bit WEP, WPA-PSK/WPA2-PSK, WPA/WPA2, WPS
Compatible OS	Windows platform, Mac OS, Linux
Physical appearance	
Housing	ABS plastic
Color	Black
Dimensions	1.5x0.8x0.4in
Weight	0.2oz
Additional information	
Certificates	FCC
Warranty	Five years
